DEER VALLEY IS A PREMIER COUNTRY CLUB WHERE YOU CAN SKI

- Known for its luxurious first-class guest experience, offering ski valets and mountain tours.
- Known for its meticulously groomed runs for all levels and especially its corduroy over extreme terrain.
- No Snowboarders or Terrain Parks, just SKIERS!
- Limits daily lift tickets to avoid overcrowding and makes for a more relaxed skiing experience.
- Large dedicated beginner areas separate from most intermediate and advanced skiers, reducing intimidation.
- Known for its upscale, high-quality cuisine, with a focus on locally sourced ingredients and gourmet mountain dining.

Lodging:

The Lodges of Deer Valley are where we'll be staying, located at the base of the resort. This makes it very easy to catch the shuttles to Park City or to the different ski lifts. One minute shuttle ride to ski lifts and shuttles run continuous (or you can walk).

- Hotel Rooms and Condos available and we're planning on utilizing 3 bedroom 4 bathroom condos which come in different bedding configurations.
- Ski rentals on site.
- Free Overnight Ski Storage at mountain base.
- Health/fitness center, Heated Pool and Hot Tub on site.
- A General Store and The Brass Tag restaurant onsite.

Deer Valley Pricing

We will have to wait on a few final prices like ground transportation and airfare (these have been estimated based on 2025 pricing) !

Right now, our best guess is we should come in under \$3500 all inclusive (except lift tickets)

We did get the lift ticket prices from Deer Valley for their guests (for those without IKON passes):

3-day: \$282

4-day: \$372

5-day: \$480

6-day (pair of 3-day): \$564
