

# Welcome to the Cookbook Club

hosted by Tom Winslow, a former member/leader of 3 Cookbook Clubs, is starting a monthly cookbook club to create community through cooking (and eating). Every month will feature a different cookbook to gain confidence in the kitchen and make new friends (foodies, new cooks and folks experienced in cooking are all welcome).

The Cookbook Club will have two events every month – a recipe selection event and a potluck dinner party. The recipe selection will occur at each Edna’s social hour on the 4<sup>th</sup> Sunday of the month before the potluck dinner party. The potluck dinner party will take place in the following month at a recreation center in The Villages. Each potluck dinner attendee will select one recipe to make for the dinner party.

## Inaugural Potluck Dinner – April 19, 2026

**Time: 6:00pm at Moyer Recreation Center**

Come join us for the inaugural April of 2026 potluck dinner party to make cooking a relaxing, fun, and exciting way to build community through food, one cookbook at a time. We will select Rachel Ray recipes from her book

“This Must Be The Place” on March 22, 2026 at the Edna’s Social Hour from 4:00 p.m. to 6:00 p.m. and meet for a potluck dinner party at Moyer Recreation Center on Sunday April 19, 2026 at 6:00 p.m. Plan on 90 minutes of mingling/eating followed by 30 minutes of discussion at the potluck dinner party. The discussion allows each attendee to give tips and feedback on the selected recipe and development of new cooking skills.

## Introducing the Cookbook Crew

Love great food and meeting new people? Join our new monthly Cookbook Crew, led by Tom Winslow, who previously organized and led three successful cookbook clubs. This is all about building community through cooking and sharing meals together. Whether you're a seasoned cook, a foodie, or just getting comfortable in the kitchen, everyone is welcome.

## How It Works

Each month includes two simple and fun gatherings:

### Recipe Selection Night

Held during Edna’s Social Hour on the 4th Sunday of the month.

Browse the featured cookbook and choose the recipe you’ll prepare.

### Potluck Dinner Party

Held the following month at a Villages Recreation Center.

Everyone brings the dish they selected, we enjoy dinner together, and share cooking tips and feedback.
